Omaha, May 31—There is a rumor among those on the inside that S.H.H. Clark's trip to the west to meet Jay Gould is for no other purpose than to effect an alliance between the Missouri Pacific and the Northern, by the aid of the Sioux City and Northern. This sort of a deal would not give the Great Northern an entrance into Omaha but would carry an invaluable alliance.

The American Protective Association of Catholic-haters have a large sized scandal on their hands. The state deputy of this order in Nebraska, a Mr. Winspear, has just received a bill of $1,500 at the last election in order to make all the benighted members of that order vote for F.E. Moores for clerk of the court. The money was intended for the order, but it is said to have gone, where it could do the most good to Winspear. The general executive committee of the order investigates the matter, but with obstacles, which Winspear, understood to throw in their way. Moores has testified to the payment of $1,500 to Winspear, so reports the World Herald. This is quite a lesson to the public, teaching them that many of these, who claim to be benefactors of the people, are nothing but swindlers, and also a lesson to would-be brokers, showing them that venal men and venal papers are not worth the money squandered on them.

HORLICK'S MALT MILK

A Preacher's Protest Against Base Ball on Sunday

Grand Island, Neb., June 1st 92 Mr. Fred Hedde, Editor, Independent—: Dear Sir, As a minister of the gospel in Grand Island, and an appreciative reader of your excellent daily paper, I want to thank you for the very polite rebuke given in your issue of yesterday, to one "Rourks and the Fowler" for their altercation and fight on the base ball grounds last Sabbath.

Will you permit me to further say, that the Christian sentiment of our city and vicinity is deeply grieved at the existence of base ball games in our city on the Sabbath day.

We believe it is demoralizing to our children and youth, the very social and individual vices incident to the game, it may be an innocent game. But if our city could be rid of it on the Sabbath day there would be great rejoicing.

Yours Truly,
J. E. Moore

The picnic in Railroad Town at Blake C. Howard park on the 19th was well attended, and plans are in the works to hold a picnic on every third Thursday on the month while the weather is tolerable. The next one will begin at 11 a.m. on Thursday, June 16. There were two very popular items to be had at the last picnic - Lemon Ices and Potato Salad.

The recipe for the Potato Salad is as follows:

Cut cold boiled potatoes in 1/2 inch cubes.
Sprinkle 4 cupfuls with 1/2 tablespoon salt and 1/4 teaspoon pepper.
Add 4 Tablespoons oil and mix thoroughly; then add 2 Tablespoons vinegar.

A few drops of onion juice may be added, or 1/2 Tablespoon chives finely cut.

Arrange in a mound and garnish with whites and yolks of 2 hard boiled eggs, cold boiled red beets, and parsley.

Chop whites and arrange on 1/4 of the mound; chop beets finely, mix with 1 Tablespoon vinegar, and let stand 15 minutes; then arrange on fourths of mound next to whites.

Arrange on remaining fourth of mound, yolks chopped or forced through a potato ricer.

Put small sprigs of parsley in lines dividing beets from eggs; also garnish with parsley at base.

The editor will endeavor to request the recipe for Lemon Ice from Miss Smith for publication in the next issue.
